

RE-IMAGE ONBOARDING TEST ANSWER SHEET

SECTION 1 — COMPANY KNOWLEDGE

1. RE-IMAGE helps businesses improve websites, software systems, automation, customer experience, and business operations.
2. A sales partner's role is to find leads, start conversations, identify problems, explain value, and book consultations.
3. Examples of target businesses:
 - Barbershops
 - Salons
 - Auto shops
 - Restaurants
 - Realtors

SECTION 2 — SALES FUNDAMENTALS

4. Sales is about solving business problems and helping businesses improve operations rather than pressuring customers.

5. Ways to build trust:

- Professional communication
- Consistent follow-up
- Listening carefully
- Showing proof/examples

6. Confidence is important because businesses trust people who sound prepared and professional.

7. If a business already has a website, explain how updated systems and automation can improve customer experience and efficiency.

SECTION 3 — LEAD GENERATION

8. Online platforms:

- Google Maps
- Instagram
- Facebook

9. Signs a business may need help:

- No website
- Outdated branding
- No booking system
- Poor communication

10. Businesses with active social media but no website are strong leads because they already understand marketing but still lack proper systems.

11. Example Google Maps searches:

- “Barbershop near me”
- “Auto repair Hartford CT”
- “Salons Connecticut”

SECTION 4 — CUSTOMER COMMUNICATION

12. Example message:

“Hey, I came across your business and noticed there may be opportunities to improve your online presence and customer systems. We help businesses modernize with websites and software solutions.”

13. Qualifying questions:

- Do customers currently book online?
- How do customers contact you?
- Are you using automation systems?

14. Sounding desperate reduces professionalism and trust.

15. Professional communication includes confidence, respect, clarity, good grammar, and quick responses.

SECTION 5 — FOLLOW-UP & ORGANIZATION

16. Follow-up is important because most sales happen after multiple conversations.

17. Follow-up schedule:

- 24 hours later
- 3 days later
- 7 days later

18. Salespeople should track:

- Leads contacted
- Follow-up dates
- Appointments booked
- Interested businesses

19. Organization improves consistency and helps prevent losing leads.

SECTION 6 — MINDSET & PROFESSIONALISM

20. Salespeople should handle rejection professionally and not take it personally.

21. Habits of successful salespeople:

- Consistency
- Follow-up
- Continuous learning

22. Consistency is important because repeated daily effort creates long-term results.

23. Sales teaches:

- Communication
- Confidence
- Leadership
- Business understanding

FINAL ROLEPLAY SECTION

24. Barbershop Example:

Approach respectfully, explain how online booking and a professional website can improve customer experience, organization, and branding.

25. Restaurant Example:

Explain how updated systems, websites, and communication tools can improve customer experience, ordering, branding, and operations.
